Express Route.

AMERICA TO LONDON AND THE CONTINENT Via FISHGUARD.

WHICH IS RECOGNISED AS THE MOST EXPEDITIOUS ROUTE.

WITH the view of enabling passengers to reach London on Monday afternoon and Paris the same evening or following morning, the "Lusitania" and "Mauretania" have been scheduled to leave the New York Pier at 1 a.m. on Wednesdays and proceed direct to Fishguard without calling at Queenstown. The steamers will thus be due at Fishguard on Monday morning.

A Cold Buffet Supper will be served to Passengers between 9 p.m. and midnight on Tuesdays.

All other New York steamers will call at both Queenstown and Fishguard, the "Campania" leaving New York at 1 a.m. Wednesday, and "Carmania" and "Caronia" at 10 a.m. on sailing day.

Steamers from Boston call at Queenstown all the year round and also at Fishguard during May, June and July.

The Great Western Railway provide special trains from Fishguard for London (Paddington), the railway journey occupying about $4\frac{3}{4}$ hours. Special trains will also be provided for the Channel Ports when sufficient inducement offers.

FISHGUARD is the nearest British port to New York and Boston, and this route is therefore the most direct to London.

Telegraphic Code.

For the convenience of passengers copies of the Western Union Telegraphic Code and of Lieber's Code are carried on this steamer, and same can be referred to on application to the Purser.

Wireless Telegram Rates.

TRAVELLERS' INTERNATIONAL CHEQUES.

For the convenience of its Patrons the Cunard Company now issues CHEQUES of \$10.00, \$20.00, \$50.00 and \$100.00, with Foreign money equivalents distinctly printed thereon, at which they will be cashed by its Agents and Correspondents throughout the world; thus providing not only the safest and most economical means of taking funds abroad, with an absolute certainty as to value, but also A SIMPLE AND EFFECTIVE MEANS OF IDENTIFICATION IN CASE OF NEED.

Full information regarding these Cheques will be given on application to any of the Company's principal Agencies throughout the United States.

CHAIRS AND RUGS MAY BE HIRED at a Cost of 4/- (or \$1) each

on application to the Deck Steward.

Each Rug will be contained in a sealed cardboard box, and will bear a serial number which will be worked into the material so that passengers will have no difficulty in identifying their rugs. At the end of each voyage, the rugs which have been in use, will be sent to the store and thoroughly cleaned, before being re-issued.

All Cunard Steamers in the Liverpool, New York and Boston Services and in the New York-Mediterranean Service carry Orchestras of professional musicians, which play at appointed times and according to requirements.

Dogs.—Passengers are notified that dogs cannot be landed in Great Britain unless a license has previously been procured from the Board of Agriculture, London. Forms of license must be obtained by direct application to the Department before the dog is taken on board.

FISHGUARD.—See Special Notice, "Express Route," &c.

ARRIVALS AT LIVERPOOL.—TIME OF LANDING PASSENGERS.—When any of the Company's steamers arrive alongside the Liverpool Landing Stage after 8 p.m. it is optional for the passengers to go on shore that night. In the event, however, of their remaining on board, they will be landed after breakfast the following morning, either at the Stage or in dock as circumstances may make desirable.

When the vessel reaches the river but does not come alongside the Stage, to prevent inconvenience and to meet emergencies, any passengers desirous of disembarking will, on arrival of the steamer, be landed, with hand baggage only, by tender, provided that the Purser is advised before leaving Queenstown or Fishguard of the passenger's wish to do so. Notice will be placed in the Companionway on arrival at Queenstown or Fishguard advising passengers of anticipated arrival at Liverpool, and arrangements for landing.

Arrivals in Boston.—When any of the Company's steamers arrive at the Wharf after 8 p.m., passengers have the option of remaining on board over night and landing after Breakfast the following morning.
